

Trans-Thoracic Pacemaker

--	--	--	--	--

**Calculation and Use of the Following Drugs:**

Atropine  
 Bretylium  
 Digitalis  
 Dobutrex  
 Dopamine  
 Epinephrine  
 Isuprel  
 Lidocaine  
 Nipride  
 Sodium Bicarbonate  
 Tridil

**NEUROLOGICAL:**

Acute Head Injury  
 Acute Spinal Cord Injury  
 Acute T.I.A./C.V.A.  
 Assist with Lumbar Puncture  
 Monitoring Intracranial Pressure  
 Monitoring Neuro Signs  
 Neuro Assessment  
 Transport of Patient with Spinal Cord Injuries  
 Use of Back Boards  
 Use of Cervical Collar  
 Use of Glasgow Coma Scale  
 Use of Seizure Precautions

Highly Skilled	Skilled	Limited	With Assistance	No Experience
----------------	---------	---------	-----------------	---------------

**Knowledge and Use Of:**

Decadron  
 Dilantin  
 Mannitol  
 Phenobarbital  
 Solu-Medrol

**RESPIRATORY:**

**Care of patient with:**

Assisting with Intubation  
 Assisting with Extubation  
 C.O.P.D.

**Care of patient with:**

Pneumthorax  
 Tracheotomy

Highly Skilled	Skilled	Limited	With Assistance	No Experience

Acute Abdominal Disorders  
 Gastric Lavage  
 G.I. Bleed  
 G.I. Tubes (Blakemore)  
 Insertion of Nasogastric Tube

**LACERATIONS:**

Assist with Sutures  
 Assist with Staples  
 Set-Up of Suture Tray  
 Staple Removal  
 Suture Removal

Highly Skilled	Skilled	Limited	With Assistance	No Experience
----------------	---------	---------	-----------------	---------------

**OBSTETRICS:**

Abruptio Placenta  
 Communicable Diseases  
 Emergency Delivery  
 Hemorrhage  
 Placenta Previa  
 Preeclampsia/Eclampsia  
 Spontaneous Abortion

Highly Skilled	Skilled	Limited	With Assistance	No Experience
----------------	---------	---------	-----------------	---------------

**ORTHOPEDIC:**

Ace Wrap  
 Assist with Closed Fracture/Dislocation Reduction  
 Cast Cutter  
 Cervical Collar  
 Checking C.M.S.  
 Knee Immobilizer  
 Sedation Monitoring  
 Set-Up for Cast Application  
 Set-Up for Insertion of Steinman Pin/K-Wires Insertion  
 Set-Up for OCL Splinting  
 Sling  
 Steri Strings

Highly Skilled	Skilled	Limited	With Assistance	No Experience
----------------	---------	---------	-----------------	---------------

**PEDIATRIC:**

Calculation of Emergency Medication Dosages  
 Knowledge of Normal Serum Lab Values

Highly Skilled	Skilled	Limited	With Assistance	No Experience
----------------	---------	---------	-----------------	---------------

**Care of Patient With:**

Pediatric Arrest/Resuscitation  
 Eppiglottiditis  
 Near Drowning  
 Overdose/Poison Ingestion

**RENAL:**

**Care of Patient With:**

Acute Renal Failure  
 Chronic Renal Failure  
 Peritoneal Dialysis

Highly Skilled	Skilled	Limited	With Assistance	No Experience
----------------	---------	---------	-----------------	---------------

**PSYCHIATRIC:**

Crisis Intervention  
 Upholding the Rights of Patients  
 Use of Restraints  
 Care of Overdose Patient

Highly Skilled	Skilled	Limited	With Assistance	No Experience
----------------	---------	---------	-----------------	---------------

**ENVIRONMENTAL:**

**Care of Patient With:**

Animal Bite  
 Heat Exhaustion  
 Heat Stroke  
 Hypothermia  
 Poison Index  
 Snake Bite  
 Administration of Antivenin

Highly Skilled	Skilled	Limited	With Assistance	No Experience
----------------	---------	---------	-----------------	---------------

**SEXUAL ASSAULT AND CHILD ABUSE:**

Rape Kit  
 Reporting Procedures for Acts of Violence

Highly Skilled	Skilled	Limited	With Assistance	No Experience
----------------	---------	---------	-----------------	---------------

**MISCELLANEOUS EMERGENCY ROOM SKILLS:**

Advanced Directives  
 AMA  
 Answering Information Telephone Calls  
 Care of Patient with AIDS  
 Consent for Treatment of Minors  
 Disaster Protocols  
 Heparin Lock

Highly Skilled	Skilled	Limited	With Assistance	No Experience
----------------	---------	---------	-----------------	---------------

Isolation Procedures  
 Lab Values  
 Starting Adult IV's  
 Starting Pediatric IV's  
 Universal Precautions  
 Triage Procedures  
 Use of Patient Care Restraints

**MISCELLANEOUS TRAYS:**

Cut Down Tray  
 CVP Tray  
 Pelvic Tray  
 Procto Tray  
 Trach Tray

Highly Skilled	Skilled	Limited	With Assistance	No Experience
----------------	---------	---------	-----------------	---------------

Please mark the following types of Cardiac Monitors you are familiar with and can operate independently:

Hewlett Packard   
 Lifecare   
 Marquette   
 Mennen

Nibon Koder   
 Siemens   
 Spacelab

Please mark the following types of Ventilators you are familiar with and can operate independently:

Bear I   
 Bear II   
 Bear V   
 Bennett 7200   
 CPAP   
 Emerson   
 PEEP   
 Pressure Pre-Set   
 Servo 900b

Engstrom/Erica   
 EMV   
 MA-I   
 MA-II   
 Monihan   
 Ohio 560   
 Servo 900c   
 Servo 900e   
 Siemens
